Meeting with [ ] on 28 May 1953

.....5. Viktor HUSCHKA:

a. [ ] asked if [ ] had heard anything further from HUSCHKA and whether or not the latter had been to Vienna. [ ] said that HUSCHKA had not been to Vienna and then permitted [ ] to read a letter that [ ] had received from HUSCHKA. The letter informed [ ] that HUSCHKA had been pensioned, had been quite busy getting his affairs straightened out, and hoped to be able to come to Vienna within one month. HUSCHKA also invited [ ] to spend his summer vacation with his family at the HUSCHKA residence on the Traun See in Upper Austria.

b. [ ] commented that he planned to accept HUSCHKA's offer and spend at least two weeks at his residence on the Traun See, probably sometime in August. [ ] said that in the event HUSCHKA came to Vienna before that time, [ ] would make every effort to get more details concerning HUSCHKA's knowledge of the SANITZER affair.

c. [ ] also commented that he intended to press [ ] once again for further information concerning the present activities of Anton BROEDL.
